Date of order : 04.10.2007.

HON'BLE MR.JUSTICE MOHAMMAD RAFIQ

Shri Abhinav Sharma for the petitioner.

Having heard the learned counsel for the petitioner, I find that the subject matter of challenge in this writ petition is the order passed by the learned Additional District Judge no.1, Bharatpur on reference made to him under Section 18 of the Land Acquisition Act. Such order can be challenged by filing the civil miscellaneous appeal under Section 54 of the Land Acquisition Act. The writ petition not being maintainable, is accordingly dismissed though with the liberty to the petitioner to file the appropriate appeal. Registry is directed to return the document in original to the petitioner.
